NanoString Singapore User Group Meeting is Back!

Join us for a day of scientific discussion with speakers from IMCB, NCCS and Duke-NUS to learn more about their research breakthrough in Immunology, Oncology and Infectious Disease with NanoString's nCounter and GeoMx DSP.

Apart from the scientific session, explore a series of fun games and lucky draw at the virtual meeting where you can win attractive prizes and a pair of Apple Airpod!

Invited Speakers

Jason Chan
MD/PhD
NCCS

Eugenia Ong Ziying
PhD
Duke-NUS

Timothy Shuen
PhD
NCCS

Joe Yeong Poh Sheng
MD/PhD
IMCB
