2nd Oncology ACP Research Day

14 January 2017 | Academia Auditorium

Start	End		
0830	0900	**Registration** Breakfast is served at the Foyer	
0900	0905	Welcome Address	Prof. Soo Khee Chee *Director, NCCS*
0905	0920	Overview of NCCS Research	Prof. Teh Bin Tean *Deputy Director (Research), NCCS*
0920	0940	Introducing the Cancer & Stem Cell Biology SRP	A/Prof. Ong Sin Tiong *Cancer & Stem Cell Biology Programme, Duke-NUS*
0940	1000	Proton Beam Therapy	TBA
1000	1020	DRO	TBD
1020	1040	**Coffee Break**	
1040	1100	Overview of IMCB Research Programs and Capabilities	Prof. Hong Wanjin *Executive Director, Institute of Molecular and Cell Biology (IMCB), A*STAR*
1100	1120	The Catalytic Mechanism of Raf Kinases is Revealed by Using a New Catalogue of Mutations in Cancer Genome	Dr. Hu Jiancheng *Principal Investigator, NCCS*
1120	1140	Using Genomics and Immunomics Tools to Study and Potentially Intervene in Cancer Progression, Metastasis and Drug Resistance	Dr. Iain Tan *Senior Consultant, NCCS*
1140	1200	From Bench to Bedside – Translating Discoveries in Genomic into Clinical Applications	Dr. Ong Choon Kiat *Principal Investigator, NCCS*
1200	1400	**Lunch and Poster Session**	
1400	1420	Translational Oncology	Dr. Tam Wai Leong *Senior Research Scientist, Genome Institute of Singapore (GIS), A*STAR*
1420	1440	Single-cells, drug resistance and Darwin	A/Prof. N. Gopalakrishna Iyer Senior Consultant, NCCS
1440	1500	Development of Preclinical Models of Paediatric Solid Tumors and Translational Applications	Dr. Amos Loh *Consultant, KKH*
1500	1520	SingHealth Duke-NUS Blood Cancer Research - Recent Advances and Future Perspectives	Dr. Charles Chuah *Senior Consultant, SGH*
1520	1540	TBA	Dr. Amanda Seet *Senior Resident, NCCS*
1540	1600	**Afternoon Tea**	
1600	1620	Cancer Immuno Diagnostics and Therapeutics: Today Health Care Professionals from Every Cancer Related Discipline Have to Play a Part!	Dr. Amit Jain *Consultant, NCCS*
1620	1635	TBA	Prof. Balram Chowbay *Principal Pharmacologist, NCCS*
1635	1650	TBA	Mr. Cedric Ng *Senior Research Associate, NCCS*
1650	1700	Closing remarks	Prof. Teh Bin Tean *Deputy Director (Research), NCCS*
