

You are cordially invited to our:
Department Seminar

Topic: **Development of Modular Product Families:
Methods, Simulation and Testing**

Speaker: **Prof. Dr.-Ing. Dieter Krause**
Hamburg University of Technology (TUHH)
Germany

Date: **Thursday, 7 February 2013**

Time: **10.00am to 11.00am**

Venue: **EA-02-11** (map of NUS can be found at <http://map.nus.edu.sg/>)

About the Speaker

Professor Krause graduated from Friedrich Alexander-University Erlangen-Nürnberg (FAU) in 1988 and obtained his Ph.D in 1992 from the same university. He remained in FAU as a scientist until 1994 and was thereafter appointed numerous roles in the automotive industry, including that of Chief Designer, Head of Engineering and Managing Director.

He was the Deputy Dean, and later Dean, of Mechanical Engineering at the Hamburg University of Technology (TUHH) from 2007 to 2011.

Professor Krause has been the Head of the Institute "Product Development and Mechanical Engineering Design" as well as the Professor in-charge of the Master degree programme "Product Development, Materials and Production" in TUHH since 2005 and

2008 respectively.

**** Admission is free. All are welcome to attend. ****
