

1st ASEAN Universities Workshop on Agri-biotechnology

Monday, 21 October 2013 | 9am - 5pm | DBS conference room (S3 Level 5)

The inaugural workshop aims to foster closer research collaborations and scientific exchanges among the life scientists within the ASEAN Universities network.

This workshop will focus on the genetics and biotechnology of rice, the most important cultivated crop in Asia.

The workshop is funded by the Lee Foundation, Singapore

Local organising committee

Choy-Leong HEW (Chair)
Prakash KUMAR (Co-chair)
Henry MOK
YU Hao
Lisa LAU
Ann Nee YONG

Confirmed speakers

1. Teerapong BUABOOCHA (*Chulalongkorn Univ*)
2. Pham Van CUONG (*Hanoi Univ of Agriculture*)
3. Supachitra CHADCHAWAN (*Chulalongkorn Univ*)
4. Xuan Nghiem DANG (*Hanoi Univ of Agriculture*)
5. Thi Phuc DO (*Vietnam National Univ*)
6. Jennifer HARIKRISHNA (*Univ of Malaya*)
7. Prakash KUMAR (*NUS*)
8. Norzulaani Binti Khalid (*Univ of Malaya*)
9. Naweed NAQVI (*TLL*)
10. Rofina Yasmin Othman (*Univ of Malaya*)
11. Supaart SIRIKANTARAMAS (*Chulalongkorn Univ*)
12. Sanjay SWARUP (*NUS*)
13. Nguyen Phuong THAO (*International Univ, Vietnam*)
14. XU Jian (*NUS*)
15. YU Hao (*NUS*)

Free admission
