Symposium: **IMCB-CRC Joint Symposium on Cord Lining Stem Cells and Cells Programming**

Date & Time: **1st December 2017 (Friday), 09:00 – 13:30**

Venue: **Creation Theatrette at Matrix @ Biopolis**
Level 4, 30 Biopolis Street, Singapore 138671

Programme

09:00 - 09:20 **Opening Ceremony & Speeches by**
Prof. Hong Wan Jin - Executive Director, Institute of Molecular and Cell Biology, A*STAR
Assoc. Prof Phan Toan Thang - Group Chief Scientific Officer, CellResearch Corp

09:20 - 09:35 **Assoc. Prof Ivor Lim**
Group Chief Medical Officer, CellResearch Corp
Title: Cord Lining Stem Cells Platform Technology

09:35 – 09:40 Questions and Answers

09:40 – 09:55 **Prof. Brian Freed**
Executive Director, ClinImmune Labs, University of Colorado, Anschutz Medical Campus
Title: Expanding Clinical Indications for Umbilical Cord Stem Cells

09:55 – 10:00 Questions and Answers

10:00 – 10:15 **Assoc. Prof Lim Kah Leong**
Deputy Director (Research), National Neuroscience Institute
Chair, LSI Neurobiology & Ageing Programme Steering Committee, National University of Singapore
Head (Designate), Department of Physiology, Yong Loo Lin School of Medicine, National University of Singapore
Associate Professor, Duke-NUS Medical School, Singapore
Title: Human umbilical cord lining-derived cells as a novel source for neural transplantation in Parkinson's disease

10:15 – 10:20 Questions and Answers

10:20 – 10:50 Tea break

10:50 – 11:05 **Dr Jonathan Loh**
Senior Principal Investigator, Institute of Molecular and Cell Biology, A*STAR
Title: Stem cells and Cell fate Reprogramming

11:05 – 11:10 Questions and Answers

11:10 – 11:25 **Dr Natasha Ng Hui Jin**
Research Fellow, Institute of Molecular and Cell Biology, A*STAR
Title: Using human iPSCs, islets and beta cell models to study pancreatic islet dysfunction in diabetes

11:25 – 11:30 Questions and Answers

11:30 – 11:45 **Dr Chen Qingfeng**
Principal Investigator, Institute of Molecular and Cell Biology, A*STAR
Title: Humanized mouse technologies for human disease and stem cell research

11:45 – 11:50 Questions and Answers

11:50 – 12:05 **Prof. Steve Oh**
Institute Scientist and Director, Stem Cell Group, Bioprocessing Technology Institute, A*STAR
Title: Manufacturing Cell Therapy at Scale

12:05 – 12:10 Questions and Answers

12:10 – 12:30 Closing address and open forum

12:30 – 13:30 Lunch (end)

Organisers:
