

SEMINAR ANNOUNCEMENT

We would like to invite you to attend this seminar hosted by A/Prof Sudipto Roy:

Date: 2 October 2019, Wednesday

Time: 11:00AM – 12:00NN

Venue: Level 3, IMCB Seminar Room 3-46, Proteos, Biopolis

Speaker: Prof Rong Li, Director, Mechanobiology Institute, Singapore

Title: Cell division in small and large cells

Biography

Professor Li is a globally respected leader in the study of cellular dynamics and mechanics. Her interdisciplinary research integrates genetics, quantitative imaging, biophysical measurements, mathematical modelling, genomics and proteomics — to understand how eukaryotic cells transmit their genomes, adapt to the environment, and establish distinct organisation to perform specialised functions.

ALL ARE WELCOME (No registration required)

We appreciate if you could disseminate this email to your staff.
