Dear All

We would like to invite you to attend the inaugural **NUS Medicine - Merck Scientific Partnership Seminar**, which will be held on **Friday 18th October 2019, at 2.30pm** at the **Physiology Workshop Room (MD9, Level 1)**.

The objective of this seminar is to begin conversations and foster collaborations between academia in NUS Medicine and the industry so as to synergize our research capabilities for more impactful outcomes. This year we will see presentations from both NUS Medicine laboratories and Merck for potential cooperation.

This seminar is organized by the NUS Medicine Postdoctoral Association REINVENT Team in partnership with Merck Life Science and Merck Biopharma.

Please register your interest **here**!

For enquiries, please email medbx116@nus.edu.sg

Thanks
NUS Medicine Postdoctoral Association (The REINVENT Team)

NUS Medicine Postdoctoral Association was established to provide a comprehensive professional development framework, foster friendships and encourage collaborations among the postdoctoral fellows in the Yong Loo Lin School of Medicine (http://nusmedicine.nus.edu.sg/medical-sciences-cluster/postdoctoral-association/

REINVENT Programme was established to provide a framework for the professional development of our postdoctoral fellows. (http://nusmedicine.nus.edu.sg/medical-sciences-cluster/reinvent-programme/)
