

# CELL-BASED ASSAYS IN CANCER RESEARCH

Date: 26th June 2020, Friday

Time: 3.00 pm – 4.00 pm

**Speaker**

Dr. Yvonne Ng  
Senior Technical Specialist  
Atlantis Bioscience Pte Ltd

Cell-based assays have shown to be a powerful tool for the understanding of cancer biology. In this webinar, Atlantis Bioscience will provide an overview of various cell-based assays to support your cancer research.

- Solutions to migration, chemotaxis, angiogenesis and cells under flow assays
- 3D cell cultures
- Experimental workflow using ibidi labware
- Application examples

**\*RSVP by 24th June 2020**
